Mr Robert Harvey
25 Wells St.
Cambridge Md.

Dear Harvey:

It was nice to get your letter, and I am enclosing the form you requested. I was just getting ready to send them to all the boys. Be sure and keep this statement carefully, as it is your receipt for the money I paid for you on your income tax.

It was good news to hear you are still in 4F, and are ready to play ball this year. I think we will have a pretty good team if all the Eagles are4F are allowed to stay in it.

About the avarages, they were very poorly kept last year, but we are planning to have a man do the job this year who should keep everything the fans want to know, so,in another year you will be able to get that information.

As things stand now, we are planning to go to camp about the last part of March, but I will write you again and let you know exactly.

I hope you are well. Mr Manley said Hello'

Very Truly Yours
